**GUARANTY**

This Guaranty is an integral part of the foregoing Credit Application and Agreement (the "Credit Agreement") and, together with any other agreement or arrangement (including, without limitation, any purchase orders) among the Applicant (as defined below) and/or any of its affiliates, on the one hand, and Span Alaska Transportation, LLC. ("Span") and/or any of its affiliates, on the other hand, the "Agreements"). In consideration of (x) Span providing credit to the applicant(s) identified in the Credit Agreement (the "Applicant") and (y) Span and/or its affiliates executing, delivering and/or performing its and/or their obligations under any other Agreement, and as a material inducement to such provision, execution, delivery and/or performance, the undersigned (the "Guarantor") hereby (i) agrees to cause the Applicant and each of its affiliates to comply with the obligations owed by the Applicant or any such affiliate, on the one hand, to Span or any of its affiliates, on the other hand, pursuant to the Agreements and (ii) guarantees any payments and other obligations owed by the Applicant or any of its affiliates, on the one hand, to Span or any of its affiliates, on the other hand, pursuant to the Agreements. The Guarantor acknowledges that the Guarantor will, directly or indirectly, derive a substantial benefit from the provision of credit by Span to the Applicant and from Span's and/or its affiliates' execution, delivery and/or performance under any other Agreement. The Guarantor agrees that no formal change, amendment, modification or waiver of any terms or condition of any of the Agreements, no extension in whole or in part of the time for the performance by the Applicant or any of its affiliates of any of its or their obligations under any of the Agreements, and no settlement, compromise, release, surrender, modification or impairment of, or exercise or failure to exercise any claim, right or remedy of any kind or nature in connection with any of the Agreements, shall affect, impair or discharge, in whole or in part, the liability of the Guarantor for the full, prompt and unconditional performance of the obligations of the Applicant under the Agreements. The obligations of the Guarantor are absolute and unconditional, irrespective of any circumstance which might otherwise constitute a legal or equitable discharge of a surety or guarantor. The liability of the Guarantor shall be direct and not conditional or contingent on the pursuit of remedies against the Applicant or any of its affiliates. Span may, at its option, proceed in the first instance against the Guarantor to collect any amount owed under any Agreement without first proceeding against the Applicant or any of its affiliates (other than the Guarantor). The guarantee of the Guarantor shall be a continuing guarantee, and the above consent and waiver of the Guarantor shall remain in full force and effect until the obligations of the Applicant and each of its affiliates under the Agreements are discharged and paid in full. The Guarantor agrees to pay all costs, fees and expenses (including reasonable attorneys' fees and all disbursements) incurred by Span (or any of its affiliates) in collecting or enforcing the Guarantor's obligations hereunder. Notwithstanding the foregoing, nothing set forth herein or in any of the Agreements shall obligate Span or any of its affiliates to provide credit or any other accommodation to the Applicant or any of its affiliates.
